PARENT'S GUIDE: WHAT TO EXPECT

Boutique School Portraits

✿ What to Wear

- Kids look great in happy and vibrant colors!! Bright oranges, reds, greens and blues look wonderful (blacks are great too!). Stay away from whites and pastels as they tend to wash them out.
- Whole outfit - we take traditional, close up headshots but we also tend to go wide and take a few images from head to toe so check their entire outfit.
- We want to focus on your child and not on the logos or patterns that they are wearing so try to keep the shirts and outfits simple and classic.

✿ Location

Depending upon the school, photos can be inside on a simple neutral backdrop or outside against a lovely green backdrop with trees and flowers. Either way, your images will be timeless and classic. If you want to know details about your specific school, feel free to connect with me and I'll fill you in. kristin@KBoyerPhotography.com
